ESTABLISHED DISTRIBUTION

Tommasi developed a wonderful distribution network, with capillarity reaching the biggest and richest parts of Brazil. Our expertise is on the Drug Channel, however we also work well on the food and wholesaler channels as well.

Products are placed and replaced fast and on an easy way, keeping the shelves always full and preventing from missing any sale. The chain of businesses or intermediaries through which a good or service passes until it reaches the end consumer is long and tough, our job is to make it easy and short.

We have a great team of salesman that are focused in keeping the volume flowing and products well served.

MARKETING AND PROMOTION

Tommasi's marketing mix includes the four P's: price, product, promotion, and place. We are ready to raise customer awareness of a product or brand, generating sales, and creating brand loyalty.

Our promotional plan includes: complete business plan, personal selling, advertising, sales promotion in trade shows, direct marketing, and publicity.

We usually aim on: sales increases, new product acceptance, creation of brand equity, positioning of a product, competitive retaliations, or creation of a corporate image.

The objective of our Marketing strategies is always: increase demand by differentiating in some way a product.

AFTER SALES SUPPORT

Our after-sales support is designed to assist a customer in using a product correctly, which could generate repeat customers, develop brand loyalty and ensure satisfaction.

After-sales support continues to be an important tool for both consumers and manufacturers. A customer expects a cost-effective and reliable after-sales support service. Manufacturers also rely on consumer satisfaction to maintain business and sales.

Without a good after-sales support service, a product can be difficult to sell.
